Photo and video recordings at events

Organizer („Veranstalter“): Heidelberg University Hospital (UKHD)

Your additional rights:

Right to information: You have the right to request information about photos and video recordings including personal data we hold at any time.

Right to rectify inaccurate information: You have the right to rectification of incomplete or inaccurate personal data.

Right to limitation of processing: You may at any time request that the processing of the personal data concerning you be restricted.

Right of deletion: You may request at any time that personal data relating to you be deleted immediately.

Right to data portability: You are entitled to obtain your personal data in a structured, established and machine-readable format.

Right of objection: You have the right to file your objection against the use of photos and video recordings including personal data we hold at any time. However, the objection cannot be retroactive. Objection will result in photos and video recordings including personal data (first and last names) being deleted. Published photos and video recordings on the website will also be removed.

Right to complain to a regulatory authority: Notwithstanding of other administrative judicial and legal remedy you have the right of complain at the regulatory authority, if you assume that the processing of your data violate the data protection laws.

We would like to point out that photos and video recordings are made available worldwide when published on the Internet. It cannot be ruled out that other persons or companies associate the photos or video recordings with other personal data available on the Internet and thus create a personal profile, modify the data or use it for other purposes.

Identity and contact details of the controller

The National Center for Tumor Diseases (NCT) Heidelberg is a joint institution of the German Cancer Research Center (DKFZ), Heidelberg University Hospital (UKHD) and German Cancer Aid (DKH).
