## Directions

### National Center for Tumor Diseases (NCT) Heidelberg:

**Address:** Im Neuenheimer Feld 460, 69120 Heidelberg

You can see the NCT building above.

Please note that due to the construction work on the NCT, the main entrance is currently closed. You will find an alternative entrance on the east side of the NCT. Please pay attention to the signs.

**By car**

(also see map on page 4)

**From Autobahn A5:**

Change to Autobahn A656 from direction Mannheim at the junction "Heidelberger Kreuz".

**A 656 from direction Mannheim:**

Continue on Autobahn A 656 to Heidelberg, which ends at the Heidelberg City limits.

As you enter the city of Heidelberg, follow the signs "Eberbach/HD Universitätsklinikum/ Universität Im Neuenheimer Feld, Zoo, Chirurgie". Turn left at first traffic light, then right at second. Follow the curve at the next light. Underpass the Neckar Bridge, then turn right twice heading for "Neuenheim/ Handschuhsheim". Cross the Neckar River and follow the street "Berliner Straße", heading for "Uniklinikum/NCT". Take the left lane at the third intersection and turn into the street "Im Neuenheimer Feld". Follow this street. After approximately 500m, you will approach the NCT building on the left hand side.

**B3 from direction Darmstadt:**

Approximately 1 km after reaching the city limits of Heidelberg turn right („Chirurgie“) into the street "Berliner Straße". At the intersection of the streets, "Berliner Straße" and "Im Neuenheimer Feld" head for "Uniklinikum/NCT". Turn right into the street "Im Neuenheimer Feld". Follow this street. After approximately 500m, you will approach the NCT building on the left hand side.

**B3 from direction Leimen/Wiesloch:**

Head for "Hauptbahnhof" into northern direction. Pass the central station ("Hauptbahnhof") and follow the street "Mittermaierstraße" to cross the Neckar River. Follow the street "Berliner Straße", heading for "Uniklinikum/NCT". Take the left lane at the third intersection and turn into the street "Im Neuenheimer Feld". Follow this street. After approximately 500m, you will approach the NCT building on the left hand side.

**Parking:**

(also see map on page 4)

Please follow the parking guidance system. Due to the construction work, the patient parking spaces directly in front of the NCT building are currently not available. Please use the VZM parking on the opposite site and the surrounding parking spaces. Parking is very limited throughout the entire clinic area. Please allow enough time to search for a parking space. The parking guidance system shows currently available parking spaces. All parking opportunities in the "Neuenheimer Feld" area are chargeable.

**By public transportation:**

(also see map on page 4)

**From Heidelberg central station:**

Take Bus number 32 into direction “Neuenheim, Kopfklinik“ and get off at stop “Studentenwohnheim” directly in front of the NCT.

Take tram number 21 into direction “Handschuhsheim, Hans-Thoma-Platz” or tram number 24 into direction “Handschuhsheim, Burgstraße”. Get off at stop “Technologiepark”. From this stop you may either approach the NCT in around 10 minutes of walking or go further with public transport. To walk, follow the street „Im Neuenheimer Feld“ on the left hand side for approximately 500 meters. Or you take Bus number 31 into direction “Neuenheim, Chirurgische Klinik” and get off at stop “Studentenwohnheim” directly in front of the NCT.

**From Bismarckplatz:**

Take Bus number 31 into direction “Neuenheim, Chirurgische Klinik” and get off at stop “Studentenwohnheim” directly in front of the NCT. Additional information to public transportation in and around Heidelberg is available under [www.vrn.de](http://www.vrn.de).
