

Conditions Of Submission for Visiting Elective Medical Students and 6th Years Students

To be completed and signed by a qualified physician before submission. All required supporting documentation should be in English, signed dated and stamped with an official clinic stamp.

In accordance of health guidelines the following vaccinations have to be documented. Missing vaccinations have to be completed before submission. If it is required to repeat tests performed abroad, a fee will be charged by the "Betriebsärztlicher Dienst" to cover these costs. Any fee required for completion of this form is the responsibility of the applicant.
